

# NEW YORK ORCHESTRAS

ENTERTAINMENT

New York Orchestras Entertainment is known for presenting the most dedicated and talented entertainers. Our talent list includes bands, DJs, band/DJ combinations, string quartets, orchestras and lighting designer/programmers. Integrity is always at the forefront of our mission. Our performances on and off stage have been recognized with top awards from leading wedding websites such as WeddingWire.com and TheKnot.com and 5-Star reviews from our enthusiastic clients.

Check our Facebook page and blog to see pictures, watch videos, read thank you notes and see a segment of our 18-year history. Our founder, drummer/vocalist Bill Morgan Messinetti is the bandleader for the band Central Park Orchestra, our flagship band. Bill was signed as an artist to Polygram Records and produced an album in 2012 by the band Island Head. Bill says; "the list of artists our musicians have performed with reads like a who's who in the music industry. Now they are dedicated to performing at private functions including weddings and corporate events."

*"The party rocked! Your energy was electric, and the crowd was left begging for more. Thanks for the encore. Central Park Orchestra is now the backdrop to two of our daughters' weddings and we now consider you a part of the family."*

**Carolyn & Keith**

*"The professionalism of every musician is what we expect. We receive letters of praise about Bill and his crew all of the time, and the way they interact with the crowd while still keeping the elegance of an Oheka event. And, THEY ROCK! That is why we used them for our wedding."*

**John DiPreta and Kelly Melius (daughter of Oheka Castle owner)**
